Study Distribution

Single Group Distribution. When you purchase any Flow Research study, you are entitled to share this study with up to three people within your management group. This is true whether you purchase a PDF file or the hardcopy version.

Company Distribution. You can share a market study with any number of individuals and groups within your firm in both PDF and hardcopy. Company Distribution capability is available for an additional \$2,500 for each study. Companywide Distribution does not include posting the study on your company's Intranet. Contact Flow Research for details on Intranet posting.

Company Distribution does not apply to companies that own three or more separately incorporated companies. If this case describes your company, please call for details.

Please let us know if you have other special requirements.
